We are so excited about our Speaker. It is Gloria Shapiro who has been informing and entertaining a wide variety of audiences for many years. She is a graduate of Queens College and did her graduate work in Speech and Theater at Columbia University. She was on the faculty of Rutgers University and is the author of two memoirs. Her distinctive style and delivery have made her a much sought after speaker. Those who have heard her agree she is not to be missed.
Is there anything left to say about Elizabeth Taylor? You bet there is! In “Elizabeth”, Randy Taraborrelli gives us an intimate portrait of the celebrated movie queen. It’s all there—the colorful life style, the fabulous career and the tempestuous marriages. We also see a woman who is honest, generous, caring and most vulnerable. Among other perceptions, you’ll conclude it definitely wasn’t easy being Elizabeth Taylor.

ART LECTURE with DR. LAWRENCE
Mon. 3/15
Time: 10:00 am
Chair: Mary Arundell
Place: Mayacoo Country Club Fireplace Room
Cost: $10.00
Dr. Lawrence will speak on French Impressionism with emphasis on Claude Monet. Impressionism is perhaps the best known and best loved of all artistic styles. These paintings are celebrated for their bright color and fresh, informal vision of the world. However, in Paris, in the 1870’s, this art was viewed as provocative and controversial. It was considered threatening to the values that fine art was meant to uphold. Don’t miss this fascinating lecture by Dr. Lawrence who got her doctoral degree from Columbia University and has had numerous exhibitions of her paintings and photographs in New York and Florida. Dr. Lawrence is an art historian, artist, photographer and author. We are thrilled that she will speak to our group. Afterwards, you may stay and enjoy lunch at Mayacoo Country Club and use your credit card. Please send your check to Mary Arundell 1910 Breakers Point Way, West Palm Beach, FL 33411.
