

Dear Breakers West Residents,

The new bar code reader has been installed at both the Okeechobee Gatehouse and at the Belvedere Gatehouse. For the time being both the old Transponder reader and the new barcode reader will remain working. This will give everyone time to have the bar code installed on your vehicle. The new sticker is a black on black sticker that will be installed on the rear driver's side window. For those of you that have a vehicle that doesn't have a rear window, Security will be able to locate the appropriate location for your vehicle. The barcodes will begin to be installed on the resident's cars on Monday April 24th. Each household will receive 2 bar codes at no charge when installed by Security before May 31, 2017. (Seasonal Residents will have until December 31, 2017) Additional bar codes may be purchased after this week at the gatehouses at a cost of \$10.00 each for a resident/owner/ club member. Vendors, including domestic help may purchase a bar code for \$25.00. Please see the schedule below for having your bar code installed.

Please note this isn't your only opportunity to have Security install the bar code on your vehicle.

Security will be located in the Breakers West Country Club parking lot at the times listed below.

If your last name begins with the letter	Monday April 24	Tuesday April 25	Thursday April 27	Friday April 28	Saturday April 29
